

Adamjee Lukmanjee Exports (Pvt) Ltd

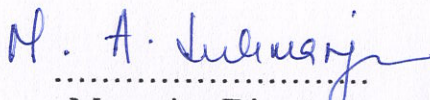

Environmental Policy

Adamjee Lukmanjee Exports (Pvt) Ltd is committed to:

- the minimization of our environmental footprint
- minimization of water usage
- minimization of the use of other natural resources
- prevention of pollution of the water table, atmosphere and land
- reduction and environmentally-responsible re-use, recycling and disposal of generated waste
- education and training of our employees in environmental issues and the environmental effects of their activities
- communication of environmental aims and mitigation of concerns related to our local community, suppliers, service providers and customers
- continual improvement of our environmental performance
- compliance with all applicable legal, regulatory and other requirements

Continual improvement of our environmental performance will be undertaken through:

- monitoring of environmental impacts through record keeping, testing and measurement of emissions, and other best practices
- review of environmental performance against targets and objectives
- evaluation of environmental impacts upon changes to operating procedures, infrastructure, suppliers, service providers and manufactured products
