

Adamjee Lukmanjee Exports (Pvt) Ltd

Food Safety and Quality Policy

Adamjee Lukmanjee Exports (Pvt) Ltd is strongly committed to high Quality products that meet customer and consumer expectations of Food Safety requirements.

Food Safety is the responsibility of all employees that have direct influence on manufacturing, storage and the transport of products. The following principles are the foundation of the commitment of Adamjee Lukmanjee Exports (Pvt) Ltd to Food Safety and Quality:

- Manufacture and deliver products that meet the highest quality and food safety standards
- Meet all statutory / regulatory requirements and mutually agreed requirements of customers
- Ensure sustainable food safety and quality performance through implementation and certification of BRCGS and other required standards
- Validate the effectiveness of the food safety and quality management system through internal and external audit processes meeting BRC standards
- Build food safety capability through structured programmes that develop technical skills, increase awareness and manage risk
- Continuously improve the Food Safety and Quality Culture
- Continuously improve the effectiveness of the Food Safety and Quality Management System by reviewing policies, standards and procedures with changes in products, processes and technologies
